ST PHILIPS CARE

Welcome to Cathedral Care Home

“Our priority at St Philips Care is to ensure that our residents regard our homes as their home”

At Cathedral Care Home, we strive to provide the best possible care and activities for our residents, while ensuring that we treat them with independence and dignity. We like to make time each day to have one to one conversations and interactions with our residents. We take the opportunity to ensure the residents are happy and doing something that they enjoy or wanted to do that day, whether that be relaxing or taking part in one of the activities that day.

What happened at Cathedral this month...

- ❖ Marcello the entertainer
- ❖ Weekly visits from Flo, our homes PAT dog
- ❖ Celebrating Easter's Good Friday with Bella and Gracie
- ❖ Supporting the Lincoln 10K

ACTIVITIES

We offer activities daily at Cathedral Care Home to ensure that the residents are kept busy, active to their own ability and social within the home and outside communities.

Marchello

We had Marchello the singer in this month to sing with the residents. The residents really enjoyed it; some were up dancing and singing along to the songs they knew. We even got some of the carers involved, singing their favorite songs to the residents.

Flo the Cockapoo

Flo is our homes new PAT (Pets as Therapy) dog and she has kindly offered to come and visit the residents at Cathedral Care Home every Thursday.

Dogs can bring pleasure to all people, they provide unconditional love, companionship and fun but they are especially beneficial to people who suffer from dementia. Dogs being around can help reduce the effects of dementia – anxiety, aggravation, irritability, depression and loneliness. Using dogs in a friendly and non-threatening way they can assist in helping dementia suffers in a social setting.

Run For All – ASDA Foundation Lincoln 10K

The Lincoln 10K run came right past the front door of our home, we saw the opportunity to support the runners and get our residents out into the community to do something different with their day. In the days running up to the 10K our residents made supportive slogan flags that they could wave when they were watching the race. On race day, the residents enjoyed cheering on and waving at the runners as they ran past.

Good Friday with Bella and Gracie

We had a brilliant day with Bella and Gracie on Good Friday. We played skittles, made Easter bonnets and painted eggs; we even had a little competition for the best Easter bonnet. We would like to say a big thank you to Bella and Gracie for coming to see the residents and having a fun filled day with them.

Welcome to the Team!

Tracey Wright- Care Manager

Joanne Staples- Administrator

Lottie Clark- Activities Coordinator

Connor Smith- Housekeeper

General Information

At the moment at Cathedral Care Home we are undergoing a lot of refurbishment and are trying to be as accommodating to all of our residents and visitors.

We are all very excited to see the finished product of Cathedral Care Home; we can already see some of the many improvements that have been made to the home but there is so much more work to be done.

We can't wait for all the work to be finished and welcome everybody into our home to see the changes that we can already see taking shape.

Best Wishes for all the team at Cathedral Care Home.
